

SYLLABUS

TITLE:	The Power of Arguments
CODE:	GCM 201
PREREQUISITE:	GCM 102
CREDITS:	3 credits 45 hours contact 15 hours Lab. 1 term

DESCRIPTION

This course focuses on the formal study of argumentation. It aims to help students develop their ability to critically understand and elaborate effective arguments in written and oral communication. The students will also practice their critical and creative thinking skills in order to put forward their own views about different social and political contemporary discussions. This course will be supported by the Language Laboratory.

JUSTIFICATION

Argumentation skills are increasingly important in our diverse society. Adequate command of their functional aspects is necessary for the ethical, assertive and effective production of argumentative discourses both in written and oral communication.

COMPETENCES

The course develops in the student the following competences:

- **Communication**
- **Critical thinking**

OBJECTIVES

At the end of the course, students will be trained to:

1. Apply ancient rhetorical principles to contemporary public and written communication contexts.

2. Recognize the function of the elements of arguments.
3. Recognize the conceptual difference between argument, debate, and opinion.
4. Craft effective thesis sentences for speeches, essays and other types of compositions and support them with appropriate evidence.
5. Understand the value of assertive communication in a diverse society.
6. Engage with their own arguments in social and political contemporary discussions.

CONTENT

- I. The Power of Arguments
 - A. Arguments as a form of communication
 1. What is the argument?
 2. What does it mean to be assertive?

REASONABLE ACCOMMODATION

To obtain detailed information on the process and the required documentation, you must visit the corresponding office. To guarantee equal conditions, in compliance with the ADA (1990) and the Rehabilitation Act (1973), as amended, all students who need reasonable accommodation services or special assistance must complete the process established by the Vice Presidency for Academic Affairs.

ACADEMIC INTEGRITY

This policy applies to all students enrolled at Universidad del Sagrado Corazón to take courses with or without academic credit. A lack of academic integrity is any act or omission that does not demonstrate the honesty, transparency, and responsibility that should characterize all academic activity. Any student who fails to comply with the Honesty, Fraud, and Plagiarism Policy is exposed to the following sanctions: receive a grade of zero in the evaluation and/or repetition of the assignment in the seminar, a grade of F (*) in the seminar, suspension, or expulsion as established in the Academic Integrity Policy effective in November 2022.
