

<b>TITLE:</b>	History of Film
<b>COURSE CODE:</b>	CNE 208 (previously, TEL 208)
<b>PREREQUISITE:</b>	CMU 101
<b>CREDITS:</b>	3 credits, 3 weekly hours, 1 semester

**DESCRIPTION:**

This course studies the origins and historical development of film. It focuses on prominent figures, movies, key dates for silent, sound and contemporary movie, and introduce this Puerto Rican films. The course presents the characteristics of documentary and experimental film and researches and analyzes the history of the 20th century through Occidental cinematographic production. It is intended for Communication students.

**JUSTIFICATION:**

The history of cinema is studied to provide a better understanding of the function, characteristics, technological advances, and different languages of the cinematographic medium. By gaining knowledge about the evolution of language, aesthetics and film techniques, students will be better prepared to appreciate the form and content of films produced in different times and places, and with different styles. In addition, students will appreciate the history of the 20th century through its cinematographic manifestation. Having knowledge of cinema in Puerto Rico, will help the students develop a critical attitude that allows them to consider viable alternatives to solve the problems that have prevented further development of the film industry on the island.

**OBJECTIVES:**

By the end of the course, students should be able to:

1. Identify exponents, movies and key dates in the development of the art and industry of cinematography
2. Define the technological resources that have been incorporated to cinema during its development, which shape it's expressive language.
3. Contrast the principal elements of cinema: fictional, documentary, and experimental film.
4. Analyze the history of the 20th century from the point of view of cinematographic work
5. Identify figures, movies and key dates in the development of cinematography in Puerto Rico
6. Compare cinema in Puerto Rico with cinema in different countries, highlighting influences and contrasts
7. Propose solutions to the problems faced by film industry in Puerto Rico
8. Appreciate film as a form of art and culture
